Comments From Peers

- Security Benefit
- *What I really appreciate about Grant is how proactive he is. Simply put, he makes problems go away.*
  - *I have not met a more team-first person than Grant.*
  - *I keep finding Grant's documentation in here and it keeps saving my butt.*
- Students
- *Super friendly, kind, nice and caring. You can tell he truly loves what he does! definitely recommend and take again.*
  - *There is never a dull moment in his class. I would take his class anytime and recommend others to take as well.*
  - *He has an uncanny ability to sense when your ADHD brain begins to zone out and immediately refocuses the class.*
